Theme:
Manners

Introductions:
Aa and Bb

Vocabulary:
Adorable – cute; beautiful

Language:

We will be talking about manners this week. Please bring in picture from magazines that show people using good manners (example: people sharing or holding a door). You may also bring in any books you may have that talk about good manners. A is for Amos flannel board will be introduced and used to help us learn about letter sounds.

Craft & Writing:

This week the children will be introduced to two new friends; “bee” happy and “Bee” sad. They will introduce new manners and help us remember to use our manners. “Try to share” and “Use your words, No Hitting” will be the manners introduced this week. The children will also work on their fine motor skills by tracing the letters Aa and Bb as well as phonics papers to reinforce the letter sounds and we will be working on our scissor skills with straight line cutting.

Concept:

We will be introducing compare and contrast to the children. Please bring in two items in a Ziploc baggie that we can use to compare and contrast (example: crayon and a pencil, sock and a shoe). The pink tower will be introduced and the children will be counting the days of the week. In science, we will be talking about the four seasons and weather permitting; we will go outside for some yard exploration so that we can get to know our surroundings.

Motor:

The children will need to use their listening skills for a following directions song, they will do an obstacle course and the ball and wand will be introduced to work on their eye/hand coordination. If the weather cooperates, we will go outside to use the playground equipment. **All children must wear gym shoes or closed toe shoes to play on the equipment. No sandals or crocs are allowed on the equipment.**

Reminders:

When your child is using a pencil or coloring with a crayon or marker, please make sure they are holding it with the proper grip.

Have a great week!
Mrs. Chrissy & Miss RaeVen
