
Theme: Getting Acquainted

Many fun activities are planned this week as we meet our new friends and learn about our classroom.

This weekly newsletter keeps you updated on the topics we are covering and reminds you of any special events. It will also tell you about the concepts being introduced and reviewed.

All newsletters can be found on our website at www.bobbienoonans.com/frankfort/

This will be the only newsletter in paper form.

We are ready for a great year and hope you are too!

Mrs. Desi,, Ms. Melissa, Mrs. Amy and Miss Ellie

Nursery

News

Language Arts: Language skills will be developed through stories, books, songs, poems, finger plays and puppet play. This week the teachers will introduce the children to the finger plays "Open Shut Them" and "Two Little Blackbirds."

Concept: During the first week of school, the children will be introduced to hands on manipulatives that teach and reinforce our curriculum.

Craft & Writing: We will be engaging in many projects to help us get to know each other. We will become familiar with crayons, paints and playdoh this week.

Motor: The Motor class is where the children work to increase skills in large muscle control, balance, coordination and body parts. We will venture outside on a daily basis, if the weather allows. Please have your child wear shoes and socks for outside time.
