
Theme: Stuffed Snuggly

Does your child have a favorite Snuggly toy they use at home? If so, we would love to know all about it. Please send in a picture of your child snuggling with that toy and write down a little information about it; it's name, when they snuggle with it, and why they like it.

Have a great week!

Mrs. Desi, Ms. Melissa and Mrs. Amy

Introductions

Colors: Circle & Square

HAPPY BIRTHDAY!

Lyla Reed 8/31

Ms. Melissa 8/31

Nursery

News

Language Arts: The flannel board story "5 Little Snugglies" and finger play "I Have a Snuggly" will enhance our theme of the week. A listening activity will help us with our listening skills.

Concept: Our new shapes, circle and square, will be added to our shelf jobs. We will begin using our science table, and learning about big and little.

Craft & Writing: This week we will be finger painting, watercolor painting and creating some fun *snuggly* crafts. Circle and square will be reviewed in class as well.

Motor: The children will play a following directions game, Simon Says, and also review their body parts. Outside play will certainly take place, weather permitting.

Important Info

- Monthly tuition payment due September 1
- Labor Day: September 5-Center closed
- REMIND App-Don't forget to sign up to receive important info on the REMIND App.
