Concept

During Concept class this week students will review the weather, the calendar, and their body parts daily. Our new colors **RED** and **BLUE** will be introduced this week and a fun color sorting activity will be practiced. A **RED** and **BLUE** "Pom-Pom Pick-up" activity will also be practiced this week as well as a "Feed the Crayon Box" sensory activity. **RED** and **BLUE** Lego Blocks will be used to build towers in the *Block Center* and *Discovery Zone Bins* will be introduced. The children will also have plenty of free time with *Concept Bins* and the *Puzzle Shelf*!

Language

In Language class this week the children will continue "Getting Acquainted" with their classroom, classmates, and teachers. The colors **RED** and **BLUE** will be introduced and added to the review board. A back to school *Picture File* will also be shown and reviewed daily to help reinforce our theme and the first *Follow Along Song* "Are you Ready?" will be practiced. Other Language activities such as the *Finger Plays* "I'm in Between," "Over in the Meadow," and "The Itsy Bitsy Spider" as well as the *Puppet Plays* "There was an Old Lady" and "Five Green and Speckled Frogs" will be introduced and reviewed throughout the week. Story time books this week will include "Mommy's Little Monkey," "Noisy Peekaboo," "Mouse Paint," "Brown Bear, Brown Bear," and "Oh Where, Oh Where?".
