

Junior Journal

Weeks 7-9: September 23- October 11, 2024 (We will be closed on Monday, October 14 for a staff inservice training day)
Theme: Pets/Fall

Language Arts:

Over these three weeks, we'll be learning about pets; what is important to them, and how to take care of them. We would love for everybody to bring a picture of their pet to school. If you do not have a pet, bring a picture of an animal you would like to have. We'll also enjoy the following poem: Love Your Pets Love your pets, love your pets Love them everyday Give them food and water too Then let them run and play. In addition, we will be studying and celebrating our new season fall.

Concept:

Your little veterinarian will learn all about the animal hospital. These weeks will include discussions on baby and mommy pets. We will also introduce the concept of weight. The children will be learning the difference between what is heavy and what is light. We will conclude these weeks with a few rounds of Can you tell me? During this game, I show the children 5 objects, have them close their eyes while I take one away, and then open their eyes and see if they can tell me what is missing.

Motor:

We will be acting like pets, as we hope like bunnies, bark like dogs, and swim like fish, as we act out several of our favorite pets.

Craft and Writing:

Look for papers introducing the letters Ee and Ff, as well as many pet projects. In addition, we will also be practicing our tracing and cutting skills.
