THEME: Nursery Rhymes

September 9, 2024

Our Nursery Rhyme theme will take us back in time as we introduce the children to some of the classics, including *Humpty Dumpty*, *Hickory Dickory Doc* and *Old McDonald*.

As we head into the season of Fall, we would like each student to bring in examples of this new season to share with their class.

Weekly Introductions

Letters: C & D,

Reading Words: Run, run, Jump, jump

Manners: "Please" and "Thank You".

Language Arts: Many "Nursery Rhyme" books and flannel board stories will be shared this week. The children will learn to develop a sense of rhythm through the use of musical instruments. The children will also learn how to echo, focusing on the volume of our voices.

Concept: This week we will be learning about how the seasons change! What will happen outside in the coming weeks when *Fall* arrives? We will use our senses to find out. During class, we will examine sizes of cylinders and discover how to manipulate bottles and lids.

Craft & Writing: Learning how to print our two new letters will keep us busy this week. We will create a cat for the letter C and a dog for the letter D. Many more crafts will be created this week as well.

Motor: We will be utilizing the playground this week to make the most out of this beautiful weather. The children will practice balancing, and will be following directions with our new action words *run* and *jump*. Please be sure your child wears gym shoes for outside time!

Student of the Week

Ella Blackwell
Kora Cook
Dallas Danc

Happy Birthday

Adelyn Hirsh 9/14
