Theme: **Special Friends**

This week we will discuss our *special friends*. The words Run and Jump will be introduced this week and will review all the colors, shapes, and numbers we have learned so far this year.

We have been going outside every day, weather permitting. Please dress your child appropriately for the chilly morning temperature.

Important Dates

October 14 Center Closed

October 15 & 16 Picture Day

October 30 Orange and Black Day

October 31 Halloween Party

Language Arts:

As we talk about our special friends, we will learn that everyone is special and different. Puppet play, and the finger play, *Five Special Friends*, will help with this. Our flannel board story is *Little Bunny Foo Foo* and our listening activity is called *My Hands*.

Don't forget to send in your picture of your child with a special friend.

Concept:

Nesting blocks will be introduced this week and added to our shelves. We will begin learning about small, medium, and large. Magnets will be added as a fun exploration activity. We will also have fun sorting different objects and towards the end of the week the water table will be open for the children to practice their strengthening skills, as they squeeze sponges full of water.

Craft & Writing:

During "Special Friends" week, we will be making crafts about our special friends, and review colors green, yellow, red and blue, as well as numbers 1 and 2.

Motor:

Jumping over a pile of leaves will add to our fall time fun. Our riding toys will be added to our obstacle course and we will toss balls into hula hoops. We will also play with the parachute.
