THEME: Working Animals
September 9, 2024

Introductions: Our discussion about animals continues this week with a focus on *working animals*. Working animals are animals which are trained to help us in specific ways.

Mrs. Paula, Mrs. Karen, Mrs. Donielle and Miss Ellie

Introductions

Numbers: 5 & 6

Story #2: "String Bean"

Language Arts: We have enjoyed our poems, songs and stories but now "pets" will be the backdrop for "working animals." Story #2 will be introduced this week. Don't forget to practice your story #1 words. Stories will include "Take you Pet to the Vet" and "The Baby Chipmunk", by Jan & Stan Bernstein.

Concept: Compare and contrast activities will be conducted all week as we discuss the similarities and differences between 2 objects. One example of this will be to discuss how a working animal is the same or different as a pet at home.

Motor: A review of our action words *run, jump* and *hop* will keep us moving. Relay races will be a lot of fun outside this week too!

Craft and Writing: Evaluations will continue this week. Number papers 5 & 6 will be featured. The kids will make puppet horses and mosaic tiles. Painting and play-doh will also keep us busy.

Important Reminder
Our center will be closed on Monday, October 14. On this day the teachers will be participating in continuing education classes.

Happy Birthday!

Sloane Brown 9/9
