

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

9/30-10/4

Theme : Where We Live (People And Animals)

Intro: Ee and Ff / 5 and 6

Craft and Writing

This week we will be continuing letters E and F and numbers 5 and 6 to our printing practice! Keep working on writing outside of class. The more we practice, the more prepared for Kindergarten they will be!

We will be working on a few crafts about animals and their habitats and Florida where we live.

Concept

In concept. We will be working on our new numbers and putting numbers in order. We have been working on our 100 days of school chart daily and the class has been counting every day. We will be focusing more on counting by 5's and 10's as our chart grows and we have more numbers to count.

I will also be pulling out our globe this week as we learn about habitats and where we live.

Motor

Ball and Wand, Relay Races

Notes

FRIDAY SHOW AND TELL:

E AND F Items or something about where we live.

Language Arts

Time continue our alphabet! We are on to letters I and J this week. This means we will learn the next verses to our Amos song and we will be pulling out our phonics buckets. We have been having fun with those this year!

To go with our theme I am going to introduce a fun book called Our Florida Alphabet. You will hear that song a lot this year! :)
