**Theme:**

Zoo

**Introduction:**

Letter: Aa

**Language:**

The zoo will be our theme for this week. We will be reading several books about the zoo animals including one of our favorites: *Dear Zoo by Rod Campbell*. To go along with our theme, the finger play "I Went to the Zoo and What Did I See" will be introduced.

**I Went to the Zoo and What Did I See**

I went to the zoo and what did id see

A great big lion looking at me

And he roared and he roared

And he roared like this

And he roared and he roared

And he roared like this.

(Giraffe – Stretch)

(Elephant – Stomps)

If you have any theme related zoo books, feel free to bring them to share with the class.

**Concept:**

The kids will learn about our new letter Aa, and it will be added it to our daily review and our concept shelf.

**Craft & Writing:**

Let's get creative and make zoo crafts! The children will get to use their art skills by creating different types of zoo animals. The children will also work on papers to reinforce our new letter.

**Motor:**

Can you waddle like a penguin, stomp like an elephant or crawl like a bear? During our motor time, the children will be having fun acting like the animals from the zoo. We will also dance to *We're Going on a Bear Hunt*.

**Reminders:**

With the weather changing, please remember to bring in a jacket as we do go outside daily.

Have a great week!

Mrs. Nina
