

Lockport Kindergarten Newsletter

Weeks 7 & 8 Sept. 23 - Oct. 4, 2024

Fall and Apples

INTRODUCING: Qq, Rr, Ss, Tt, Uu, Vv

Counting by 2's

LANGUAGE AND READING:

We have a busy 2 weeks in Language. The children will learn and enjoy songs and books about Fall. We will review beginning sounds of words and begin identifying short vowel sounds in words. Sight words, color words and number words will be practiced. Lastly, the children will have a lesson on Johnny Appleseed. What is your favorite apple?

MATH AND SCIENCE CONCEPT:

The children are going to work on missing numbers, golden beads and place value. We will practice 10 frames as well. During science, we will talk about the leaves changing colors and why. Apple graphing and tasting will also be enjoyed.

CRAFT AND WRITING:

Art and craft time will be fun as the children create many fall/apple crafts. We will explore leaves and try leaf rubbing. A Johnny Appleseed craft will be in the works as well as plenty of readiness papers.

PARENT NOTES:

Johnny Appleseed Day is September 26.

Please check your child's folder everyday and remove all completed work.

I am very pleased with the progress your children are making. Please continue to practice sight words at home. Your involvement and support are greatly appreciated.

DIAL (Lasek) will be here Tuesday and Wednesday for those that signed up for the screening.
