

## Lockport Nursery News

Weeks 5 & 6 September 9–20, 2024

### Zoo Animals

**INTRODUCING:** letter Aa

**REVIEWING:** red, blue, circle, square, The bell

#### **LANGUAGE AND READING:**

Calling all zoo keepers, let's go explore the animals and exhibits that are in the zoo. Our class will look at pictures of some of our favorite zoo animals: elephants, tigers, monkeys and more. We will sing a song and read a book called "Going to the Zoo". The children will also sing about monkeys and alligators. We will also learn the letter Aa and the phonetic sound it makes.

#### **CONCEPT:**

The letter Aa is going to be added to the Concept "jobs". We are going to learn a little about graphing. The children will be asked what their favorite animal is and we will apply the results to a graph. We will also divide the animals into groups. As always, the calendar, weather will be discussed and we'll count to 10!

#### **CRAFT AND WRITING:**

We will unleash our wild side as we color different zoo animals using different materials. Be on the look out for some wild and crazy crafts to come home! We will work on a hippo and monkey project. Lastly, the letter 'Aa' readiness paper will be completed.

#### **PARENT NOTES:**

Star Students this week will be Damian and Amelia!

Please provide a picture of your child for the birthday board. Thank you to those that have brought one in.

Your children are really adjusting well! We are looking forward to this year!
