

Toddler Times

September 16-20 Theme: B is for Blocks

Introduction: Bb Week 6

This week will be so much fun! We'll kick start the excitement with Lego stamp art and building foam block towers with shaving cream.

The Toddlers will have a ball as we learn all about the letter Bb and the "bouncy" sound it makes. We will paint letter Bb papers with blocks, balls and buses. We will have fun sorting our red and blue blocks on to colored mats.

We'll practice our counting skills as we stack blocks 1,2,3 and knock it down! A fun song will accompany our block play throughout the week to encourage our purposeful play. Phonetic sounds of both letters Aa and Bb will be reviewed with our letter song version of The Wheels on the Bus. The children's faces light up when they hear their favorite songs during circle time. Mrs. Jackie and Mrs. Ann love to see the joy on their faces.

Parent Notes:

No School October 14th for Annual Staff Training

ATTENTION – Be on the lookout for our special handmade Hello Book to make its way into your home. We ask parents to please review the book with your toddler and take extra good care of it, making sure to return it so the whole class can enjoy it. Thank you!!!
