

Two's News

Sept. 30-Oct. 4

Week 8

Theme: A Trip to the Zoo

Bits of Intelligence: Insects

Language Arts

The children will enjoy learning new songs such as “I Went to the Zoo” and “Monkey See, Monkey Do”. The letter Aa phonics bucket will be reviewed. The children will hear many zoo books, including our favorite, Going to the Zoo. Musical instruments will add to the fun.

Concept

Our shelf jobs will be filled with all sorts of zoo animals for the week. The children will practice matching, sorting and counting various animals. They are sure to enjoy washing animals in our water table.

Motor

Animal action is so much fun! We are going to have a great time stomping like elephants and acting like monkeys. We will also learn how to jump over the balance beam and toss a ball to a friend.

Craft and Writing

Mrs. Nicole will keep the children busy with stamps and glue. Fine motor skills will be put to the test as the children use stickers to create their own zoo. The children will also have fun playing with shaving cream and Play-doh.
