**Language Arts:** We will review all that has been introduced so far this year. Many songs and flannel board stories such as *Old McDonand*, *Five Green and Speckled Frogs*, and *The Wheels on the Bus* will keep us entertained this week. Let's go on another scavenger hunt this week to search for shapes!

**Concept:** Our new shapes will be added to our shelf and reviewed through matching and sorting. The sensory table will be opened as well.

**Craft & Writing:** We will continue practicing scissor cutting and many craft activities will help in the review of the colors red, blue, yellow and green.

**Motor:** We will enjoy stretching and doing jumping jacks to keep our bodies moving. The balance beam and row boat will be used throughout the week as well.
