Language Arts: The children will love our new flannel board story *Trick or Treat*. A new finger play *5 Little Pumpkins* will be introduced, along with colors orange and black.

Concept: We will take a nature walk this week (weather permitting) and explore the changes that have taken place outside. Bead stringing will be introduced and added to our shelf jobs, along with our new Halloween colors. We will also play games using our new colors

Craft & Writing: Just in time for Halloween, we will be using our new colors, orange and black to help create some spooky and fun crafts.

Motor: An obstacle course will also be set up using stairs, the balance beam. Please remember to dress your child for chilly morning temperatures, as we go outside early in the morning.

Important Events

Black & Orange Day - October 30

Trunk or Treat - October 31

Theme: Halloween

This week we will be talking about Halloween. We will stress the importance of parents checking their child's candy, and children holding hands with their parents while trick or treating.

This week the colors black and orange will be introduced.

Have a great week!
