**During the week of November 25<sup>th</sup>, Progress Reports will be sent home. No formal conferences will be done at this time. If you have questions concerning your child, please send a note to their homeroom teacher who will contact you regarding any of your concerns. Attached to each progress report is a brief description of general milestones that may help you to determine if your child is progressing at a developmentally appropriate rate.**

## **Please Help:**

**Now that the weather is getting colder and the children are getting new outerwear, please remember to label all items with your child's first and last name on them. Also, please make sure that an extra change of clothes is in your child's backpack and is for the appropriate season. It is very important that every child has a change of clothes in their backpack in case of spills or accidents. They feel much more comfortable in their own clothes. Thank you so much for your help with this matter.**
