

Pre K Press

Theme: Safety & Police

October 7, 2024

Since Halloween is approaching quickly, we will begin discussing different ways to be safe. This week's discussions will focus on the members of our law enforcement community.

Mrs. Paula, Miss Ellie, Mrs. Karen and Mrs. Donielle

Introductions

Numbers: 11 & 12

Expressive Vocabulary: Safety, Rules, Laws, Accident

Concept: Our focus this week is on the three most important numbers we should know: **9-1-1**. The Science table will feature pumpkins as we talk about our new season.

Craft and Writing: We will work on writing and coloring our new numbers 11 & 12 and create police badges to enhance our theme.

Language Arts: Safety First! Our focus this week is safety at home, school, and the park. We will talk and read stories that will help us to know that Firefighters and Police Officers are our friends. Our featured story will be "*The Fire Engine Book*" by Tibor Gergely, and "*I Want to be a Police Officer*" by Laura Driscoll. The song "*Twinkle, Twinkle Traffic Light*" will put us in the safety mood as well.

Motor: Red Light, Green Light will be a great game to play outside in the cool fall air. We are also going to review our action words *stop, go, run, jump, hop, and come*.

Happy Birthday

Vivian Knox 10/11

Grayson Hamm 10/12

Ava Orlando 10/12

★ Student of the Week ★

Abigail Kerzman

Hudson Klaver

John Lucia
