

News at Noonan in Mrs. Laura's VPK Class

What's happening this week?

10/21-10/25

Theme : Fire Safety and Police

Intro: Ii and Jj

Craft and Writing

This week we will continue our work on Fire Safety. I have a special book the class with work on together to remind them of all of the important things we have learned. We will also start our work with I and J.

I have some "free art" activities to work on with our creative imaginations. It is fun to see what the students come up with when you give them an idea to work with!

Concept

As we review our numbers this week we will do some counting activities, and working on putting numbers in order. We will also work on "911" using our telephones. It is important that you also discuss this at home with your child. They know it is not something to play with and we have been practicing!

Our class has been working hard on our shapes and we will continue reviewing with a few songs and games. I am sure you have heard some of our little songs. :)

Motor

Stop and Go activity , Stop Drop and Roll

Notes

Friday Show and Tell:

**Fire, Police or I and J
item**

Language Arts

We are moving on to story #4 in Taffy Apple! New words to work on are See, Come, String and Bean. We will also continue our phonics practice with letters I and J. I have some great fire safety stories to read. I have turned our dramatic play area into a fire station and 911 call center so they can practice what we have been talking about. We have been having a great time!
