Weeks 11 & 12 October 21–November 1, 2024

Halloween/Pumpkins/Bats

INTRODUCING: Gg, Hh, orange, black

LANGUAGE:

These next two weeks we will discuss Halloween along with pumpkins and bats! We will have many Halloween activities and active Halloween review games to play during Language. The letters Gg and Hh will be introduced, along with words that start with the letters and the sounds each letter makes. The Fable: The Lion and the Mouse will be read.

CONCEPT:

Concept time will be filled with activities to help us review safety and learn about Halloween. We will be counting eye balls, spiders and skeletons. We will use the estimation jar as well. The letters Gg and Hh will be added to the shelf jobs.

Science: What's inside a pumpkin? We will carve one to find out.

CRAFT AND WRITING:

Our creative little artists will be busy making crafts for Halloween. We will practice tracing our names and letters. We always start tracing from the top. Feel free to practice at home with your children.
