

Lockport Nursery Newsletter

Weeks 13 & 14 November 4–15, 2024

Special Friends

INTRODUCING: B

REVIEW: Aa, circle, square, 1, 2, red, blue, yellow, green, orange, black

LANGUAGE:

Creating fun and special friendships are very important both in and out of the classroom.

Throughout the next 2 weeks, we will be introduced to a few special class friends such as: Mickey Mouse Clubhouse friends, Paw Patrol, Bluey and Bingo and many more. We will share, read books, play and use good manners with these fun friends.

We will also learn some manner songs and role play being kind to one another.

We will introduce the new shapes, triangle and rectangle. These shapes will be added to the review wall.

CONCEPT:

We have seriation activities to do using our special friends. We have been working on puzzles with the children and they are doing a great job. We will practice pouring and filling using the water table. We will also use sponges to squeeze the water out to help strengthen the children's hands for fine motor.

CRAFT AND WRITING:

We will work on rectangle and triangle papers with the children. We have some collage and decorating work to do on our newly introduced shapes. As we learn about different characters (special friends), the students will work on other art projects to take home.

PARENT NOTES:

On Monday, November 11, please have your children wear red, white and blue for Veterans Day.

Please send your children with warm outside clothing. We will still go outside, weather permitting.

Please check backpacks and your child's file daily for paperwork and projects.
