Nursery Rhymes

INTRODUCING: 1, 2

REVIEW: Aa, red, blue, yellow, green, circle, square

LANGUAGE:

Over the next two weeks, our class will explore some of Mother Goose's favorite nursery rhymes. Twinkle, Twinkle Little Star, Baa Baa Black Sheep and Humpty Dumpty are a few that we will discuss and sing. We will use a variety of song sticks to help learn these rhymes. The children are going to have so much fun listening to and role playing numerous Nursery Rhymes. We are going to enjoy some instruments as well.

CONCEPT:

The number 1 and 2 will be added to the shelf jobs. We are going to work on size variations. The children will get to see what happens when an egg breaks. And lastly, we are going to explore a pumpkin and its characteristics.

Everyday in concept, the children learn about the calendar and the weather. We also count to 10 daily!

CRAFT AND WRITING:

The children will be working on Nursery Rhyme crafts and number readiness papers. The children will work on a Hey Diddle Diddle project with a cow jumping over the moon! We are working hard by reminding the children to hold their pencils/crayons correctly. Play dough will be enjoyed to help strengthen their fine motor grip.

PARENT NOTES:

We will be closed on Monday, October 9.

The Lockport fire department will be here on Wednesday, October 9, to discuss fire safety and conduct a fire drill with the children.

Sign up for Trunk or Treat is by the front door if you are interested in participating.
