

Toddler Times

Oct. 14th-18th Week 9

Introduction: Number 2

No School Monday October 14th for Teacher In-Service

The fun continues as we sing more classic nursery rhymes with our singing basket. The children are absolutely loving this activity! We'll add some shaker eggs to the mix as we sing and dance to Humpty Dumpty. Rhythm sticks will be an exciting new activity as we tap along to the beat of Hickory, Dickory Dock.

The number two will be reinforced with our flannel board stories. We'll continue to count body parts like one nose and two eyes. Be sure to continue working on these skills at home!

In Art class we will paint our two hands to create our very own Itsy, Bitsy Spider. The children will have a blast painting with plastic spiders as well. Painting for Peter, Peter Pumpkin Eater will help get us ready for pumpkin season. Get ready for a fun filled week.
