

Junior Journal

Theme: Pets

Language Arts: Our discussions will focus on fish, toads, turtles, hamsters, rabbits, and horses. We will also learn about working animals and what a veterinarian is.

Concept: This week, we will be learning about the concept of weight, and we will practice identifying "light" and "heavy" objects. Students will play some counting games and will explore how Veterinarians keep our animal's friends healthy.

Craft & Writing: To enhance our "Pet" theme we will create a rabbit craft. Our cutting skills will be put to the test as we cut zig zag lines.

Motor: We will practice walk overs on the balance beam, and have puppy and leap frog races on the tumbling mat.

Upcoming Events

Friendsgiving Celebration-November 26

Thanksgiving Holiday-Center Closed-November 28 & 29

Christmas Program-December 7 at 9:30am

What type of pet do you have?
Please bring in a picture of your pet to share with the class-

Our discussions will focus on how our pets are cared for and where they go if they are sick.

Mrs. Roxanne, Mrs. Catherine and Miss Taylor
