

Junior Journal

Theme:

Thanksgiving & Turkeys

Language Arts: Our listening and memory skills are enhanced as we play the "Echo" game. Our Picture File will exhibit pictures to enhance our discussions about the First Thanksgiving. We will also enjoy the stories; "The Littlest Pilgrim" and "Thanks for Thanksgiving."

Concept: Numbers 7 and 8 will be added to our number line this week. We will play some Thanksgiving number games to practice counting. In Science, we will continue exploring the concept of weight and measurement.

Craft & Writing: Printing and counting papers will be our main focus this week. We will use tissue paper to decorate our new numbers and create turkeys to decorate our classroom.

Motor: The ball and wand will enhance our eye/hand coordination, while walking across the balance beam will enhance our eye/foot coordination. A body play, "The Turkey Hop," will surely get us in the holiday spirit.

IMPORTANT DATES

Friendsgiving Celebration-November 26

Happy Thanksgiving! Center Closed-November 28 & 29

Christmas Program-Saturday, December 7 at 9:30am

November 18, 2024

November 18, 2024

As Thanksgiving approaches, we will begin to discuss the background for this American holiday.

Mrs. Roxanne, Mrs. Catherine and Miss Taylor
