Theme: **Families**

November 18, 2024

We are continuing to discuss *Families* and the traditions each of us treasure as we enter the holiday season.

Progress reports will be going home this week. Don't forget to return your form confirming that you received your child's report.

Introductions

Q & R

Star & Pentagon

Concept: Along with letters Q and R, our shapes star and pentagon will be added to our shelf jobs. We will also use our fine motor skills as we create necklaces out of colored noodles and cereal.

Motor: Let's have fun keeping our bodies moving this using the motor equipment including the balance board.

Language Arts: This week, "Our Families" will be highlighted. Please bring a family photo including all of your relatives. We will be creating a photo wall. We will continue to enjoy Thanksgiving stories and songs. The highlighted story of the week is titled *People in My Family*.

Craft and Writing: Q & R papers, and star and pentagon papers will keep us busy this week along with many Christmas themed coloring sheets. Towards the end of the week we will work on painting our party bags and create a Christmas wreath.
