Craft and Writing

To help strengthen our fine muscle coordination, the children will practice cutting with scissors and play with Play-Doh. We will also work on a collage of our favorite Thanksgiving food using pictures of food from magazines. We will be making a cute turkey craft this week.

Motor

Review will be exciting as the children toss a beanbag and kick a ball at a target. We will also practice riding on scooters to prepare for a fun game during our parties. A game of Simon Says will help us review our body parts.

Please note that school will be closed on Thursday and Friday, November 28th and 29th in observance of the Thanksgiving holiday.

Progress Reports have been sent home. If you have any questions please contact your child's teacher.

Language Arts

The teachers will talk to the students about pilgrims, Native Americans and the first Thanksgiving. They will discuss what events were like using teaching pictures. We will also discuss things that we are thankful for and sing songs about Thanksgiving. Our favorite song is...

The Turkey is a Funny Bird

The turkey is a funny bird,
His head goes bobble, bobble.
All he knows is just one word,
GOBBLE, GOBBLE,
GOBBLE!!

Concept

To help us get ready for the upcoming holiday, the teachers will introduce some turkey math activities. We will count feathers, match feathers to numbers, etc. The children will pretend to "wash" the Thanksgiving dinner dishes in the water table.

Happy Birthday Damian
