

Lockport Kindergarten Newsletter

Week 14 November 11-15, 2024

Cooking

Introducing: greater than and less than

LANGUAGE AND READING:

This week in language, the children will continue to sound out C-V-C words. We will also work on word families. This week's word families are words that end in -at, -ip, -it and -ug.

During circle time, we are going to discuss the wonderful world of cooking. We will discuss cleanliness and safety while cooking. We will discuss the importance of following the directions. We may even have enough goodies to share with you at home.

CONCEPT:

There is so much fun to be had this week as the children put their cooking skills to the test. They will get to scoop, measure, mix and pour ingredients as we prepare the food. We will be making 2 or 3 yummy snacks for the school to enjoy.

During math time, we will be discussing greater than and less than.

CRAFT AND WRITING:

We are going to introduce the writing center this week. The children will be writing about what they are thankful for.

During arts and crafts, we will create our very own chef hats. We will also play with play doh using cookie cutters if the time permits.

PARENT NOTES:

Wear red, white and blue for Veterans day.

Reminder that we will be closed on Thanksgiving day and the day after (11/28 & 11/29).

November is here. Remember to send your children to school in layers in case they get cold. We will still go outdoors from time to time.
