

## Lockport Nursery News

Weeks 15 & 16 November 18-29, 2024

### Thanksgiving

Review: Aa, Bb

Introducing: triangle & rectangle

#### LANGUAGE AND READING:

For the next 2 weeks the children will review using turkey feather. Everyday we play a review game to help the children retain what we have learned so far this school year. The topic we will learn about is Thanksgiving. We will teach the children about pilgrims and Native Americans by using pictures. We will also role play good eating habits so your little ones will be ready for their Thanksgiving feast.

#### CONCEPT:

During concept, triangle and rectangle games will be played and added to the shelf jobs. One of our will be sorting which shape goes in what pile. We will allow the children to play off the shelves daily to enhance all we have learned. We will play with puzzles and work on a turkey puzzle together, Lastly, the children will get to play in the sand table.

#### CRAFT AND WRITING:

Be on the lookout for an adorable turkey handprint project heading your way. The children will have other turkey crafts to complete (don't forget to send in your turkey feathers). We will work on name papers for some of our older friends.

We will ask the children what they are thankful for and see what they say.
