Week # 17 December 2—6, 2024

### Families

#### Review:

Aa, Bb, 1, 2, red, blue, yellow, green, orange, black, circle, square, triangle, rectangle

#### LANGUAGE AND READING:

Families are all unique and special to all of us. This week we will learn about the importance of family. We will role play being mommies and daddies by using babies as props. We will also learn through pictures, flannel boards and a few new family songs. We will also play with finger puppets throughout the week.

#### CONCEPT:

During concept the children will continue to explore by going off the shelves. We will work on stringing beads. It is important that your children strengthen their tiny hands by working on activities such as stringing. We may get out the water bins for the children to practice washing dishes, just like mommy and daddy do!

#### CRAFT AND WRITING:

We will get messy this week by using many different forms of art supplies. The children will color family pictures along with trying to draw a picture of their own families.

Play-doh and other fine motor strengthening activities will be enjoyed.

For the older children, we will work on tracing our names.

#### PARENT NOTES:

Our cozy little Christmas event will take place on Thursday, December 12 at 9:15 (it will be no more than 45 minutes long). Please keep in mind that only 2 guests per child are allowed.

Bring in a family photo to share with the class. If possible, please put names and what relationship the person is on the back of the photo.
