**Massive**-of great size or extent; very big.

**Necessity**-something that cannot be done without.

---

**Bits of Intelligence:**  
Musical Instruments

## Fable

The Boy and the Hazelnuts

### Moral

Do not try to take too much at one time.

## Language Arts

Our theme for the week's discussion will include "Who are the people in your family?" "What does being a member of the family mean?" We will also discuss different types of families. Of course, we can't forget to discuss what we LOVE about our families.

## Craft and Writing

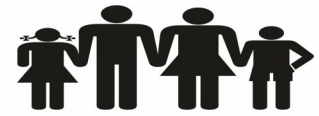

Our readiness papers will focus on our new letters. Our little hands will be busy working with scissors this week. We will be making a fun shape house craft to reinforce shape review.

## Motor

In the motor room the children will play Hot Potato and musical rug mats. Our path activity will include hula hoops to jump in and out, cardboard blocks to jump over and the balance beam. The tumbling mat will be brought out for us to practice crab walks, log rolls, and summersaults.

Parents: Please empty your child's folder daily. Thank you!

School will be closed November 28th and 29th for the Thanksgiving holiday.

## Concept

The children will try to distinguish the different sounds of sticks, plastic containers and hands clapping. Several new objects will be added to the tactile bag as well. We will graph how many family members in each child's family.

We continue to observe our sweet potato plant and will record any changes. Ms. Kailey will open up the water table this week for some extra fun.

## Picture Days

November 6th and 7th
