

# HAPPY THANKSGIVING!

## Preschool Press

Week 15&16

Nov. 18-29

Theme: Friendsgiving

### Language Arts

We will continue to explore the history of the First Thanksgiving and what it means to be thankful. The children will be excited to learn our new fable as they take turns acting it out.

### Motor

In our motor room the children continue to work on obstacle paths, following directions and practicing the ball and wand. The children will participate in a throwing review with bean bags. The children will also enjoy following a path of turkey tracks.

### Concept

Ms. Kailey will add the 9 and 10 number buckets to our shelf jobs for the younger preschool. The older preschool will review concepts introduced up to this point. We will also make a graph of our favorite Thanksgiving food.

### Craft and Writing

The younger preschoolers will practice our new numbers 9&10 while the older preschoolers will practice our new shapes, star and pentagon. We are getting geared up for our "Friendsgiving" party by making a cute turkey craft.
