Bits of Intelligence: Birds
Introductions: 3 and 4

Language Arts

Ms. Savannah can't wait to teach the children all about families, kindness and Thanksgiving. We will discuss many of the things that families do together. "The House" and "special Families" are 2 new fingerplays which will help expand our theme. Our picture file for the week will show many different families.

Concept

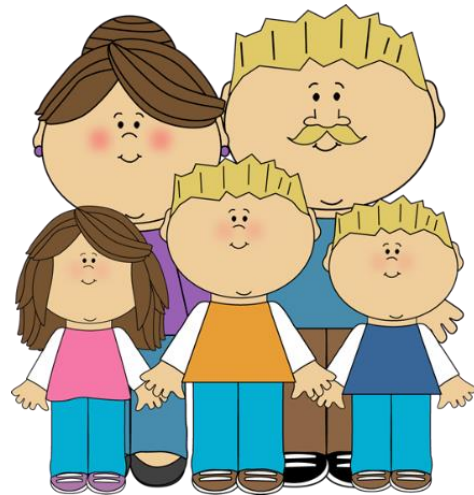

We begin the week with the introductions of numbers 3 & 4. We will practice counting objects such as blocks and people in our families. The children will build houses with blocks and wash babies in our water table. We will review size seriation and keep sorting our colors.

Craft and Writing

Mrs. Nicole has many fun activities planned for this week. Cutting skills are sure to get a lot of practice as the children fringe cut. We will reinforce our 2 new numbers with some papers. A fun group project is also planned.

Motor

We are looking forward to lots of outdoor play before winter comes! Make sure your child is properly dressed for these chilly, fall days. We will also work with the balance beam, ball and wand, and play a game of "Simon Says".

Reminder

No school Nov. 28th and 29th in observance of the Thanksgiving holiday.

Wednesday, November 13th
is World Kindness Day
