

Toddler Times

November 18-22

Week 15

Theme: Family

School Closed for Thanksgiving holiday - Nov. 28th & 29th

This week we will focus on families and how they can all be different. Many songs will help reinforce the concept of the people in our families. Some of those songs include Finger Families, Families are Different, I Love You and Skidamarink. The teachers will provide various pictures of families for the children to see as we introduce picture files. **Feel free to bring in a family photo for your child to share. Please label the back with the names of those pictured so we can encourage our little toddlers to name their family members.**

We will talk with our little toddlers about different things you might do with your family such as eat dinner, drive in a car or read bedtime stories together. Duplos will be used for building this week as we build homes for our toy families. Plenty of dramatic play will take place as we play house and kitchen at school. The children will also enjoy playing kitchen, baby dolls and dress up. Ms. Jackie will even bring out the baby bathtubs so we can pretend to be mommies and daddies washing their babies.

**It's that time again, please send in a package of wipes with your child.
Thank you!**
