

Young Nursery News

Weeks 20-21: January 2-10, 2025
Theme: Winter

Language Arts:

Winter is in the air! We will enjoy several books about our new season. Our selections will include: Christmas Snowman (as we're still excited about the holiday that just passed). We will also engage in the finger plays Wintertime, Oh, What Fun!, Bundle Up, and Snowy Fun.

Concept:

During shelf time, the children will be working on their one to one correspondence skills through fun winter jobs. They will do this by matching one snowman to one snowflake. For science, we will be playing with the water table! If it happens to truly snow, we will be sure to bring it to the water table to

Motor:

We'll be on the go, both indoors and out, weather permitting. Please be sure to bring your warm winter clothing. Indoors, we will have fun with bean bags, as we follow a CD, which will tell us what to do with our bags.

Craft and Writing:

We will be making several different winter crafts to decorate our classroom. The children will be painting, coloring, and gluing, to create these projects. Our projects will include: snowmen, snowflakes, and winter trees. Be sure to check out our winter art board!
