Evaluations

Evaluations for the second half of the school year will begin this month. Each child develops at his or her own pace and there is a certain time frame in which skills progress. Re-evaluating helps us determine how each child and the group is developing, both academically and socially. We will use this information to plan appropriate curriculum for the months to come.

Outside Play:

Winter is here! Please remember to label your child's outerwear clearly. The children will be going outside as often as weather permits. They will need their snow pants, boots, hats, and gloves. If children wear their boots to school, please send a pair of shoes for them to change into. The children will be going outside as long as it's above 20 degrees (with the wind chill factored in).

Happy Birthday!!!!
