**THEME: Celebrations**

**December 9, 2024**

Christmas traditions vary throughout the world. This week, each child will have the opportunity to tell the class about the way their family celebrates the holiday season. We will be reviewing all that has been introduced this school year.

**Concept:** Our Christmas countdown continues daily as we remove rings from a chain until Christmas day. A new number based job will be introduced. This job will help reinforce number concepts.

**Motor:** Let's rock around the Christmas tree as we review our action words; run, jump, hop, stop, and go.

**Craft & Writing:** We will review all that has been introduced thus far through matching and seriation papers. Christmas decorations for our room such as a melted snowman and icicle ornaments will keep our little elves busy.

**Language Arts:** We will enjoy a new Christmas flannel board story called "Smells like Christmas", as well as a variety of Christmas stories throughout the week.

## "Smells Like Christmas"

Smells like Christmas, like it should
