

Dear Parents,

Vision and Hearing Outreach will be conducting vision and hearing screenings at our facility on **Monday, January 13**. This screening is available to all the children who are three years of age on or before January 13. There is a \$12 charge to have your child tested. **Please bring cash, or make checks payable to Vision and Hearing Outreach.**

If you would like to have either your child's vision or hearing tested, please complete the bottom portion of this letter and return it to us on or before **Monday, January 13**. If your child already wears corrective lenses, they will not be tested for vision. If your child does not normally attend on Monday, you may bring them in for the screening at 9 AM.

Please see the attached practice sheets.

This vision screening does **not** satisfy the state requirement for a vision test on children entering Kindergarten in the 2025-26 school year.

Sincerely,

Tara Heilmann & Christine O'Reilly
