Weeks 17, 18 and 19 12/2–12/20/24

Christmas Around the World

For the next few weeks, we will be reviewing all the concepts we have learned so far throughout the year.

Nothing new will be introduced until 2025.

LANGUAGE AND READING:

The next 3 weeks will be so much fun as we travel around the world to different countries to learn their traditions and how they celebrate the holidays.

We will review the entire alphabet. This includes all the upper case, lower case and phonetic sounds. Word families and CVC words will also be reviewed.

CONCEPT:

The children will be getting many new Christmas themed jobs to work with these next few weeks.

We will practice addition skills by using ornaments. We will also create a math craft by counting cookies for Santa.

We will review 2D and 3D shapes, and even find them around the room.

CRAFT AND WRITING:

Many Christmas projects, writing activities and crafts will be completed to represent the different countries we travel to.

The children will also work hard on proper printing of their letters and numbers.

Lastly, be on the lookout for plenty of ornaments and decorations for your home.
