# Preschool Press

December 2nd—6th

Week 17

Theme: December Celebrations

### Introductions:

Younger: Kk & Ll

Older: Qq & Rr, 15 & 16

Story #6: Come and See

Story Words: Mother, Father, see, hop, Hop

Vocabulary: Quota: the amount of something

### Concept

Ms. Kailey will briefly discuss some of the different holidays celebrated in December. We will sort the different symbols for the holidays and observe the similarities and differences. For science, we will re-visit our sweet potato plant and illustrate the progress.

### Language Arts

Ms. Jen will have many different pictures to show the children, illustrating some of the different December holidays and they will discuss how the different holidays are celebrated. We will read several holiday stories to help support our theme. Practicing our Christmas songs will continue and the children are doing a great job.

### Motor

The holiday fun continues as we practice walking on the festive balance beam to the beat of a drum. We will play a game of pass the Santa hat (hot potato) and Christmas buckets (Bozo buckets). Let the reindeer games begin.

### Craft and Writing

This week, we will be completing several types of themed papers, such as cutting, tracing, and coloring. The younger PreK will focus on the new letters, Kk and Ll. The older PreK will work on Qq and Rr along with the numbers 15 and 16 We will begin to work on our special Christmas presents. (shhh...its a surprise)

Happy Birthday Max!
