January 2-10 Week 21&22 Theme: Winter

Happy New Year to all of our families here at Bobbie Noonan's! We are looking forward to a happy and healthy 2025. We are revved up and ready to start the year with music and fun!

We'll be learning all about winter the next couple of weeks as we feel the weather change. We will talk about how to dress for the weather by wearing warmer clothes, hats, scarves, gloves and coats. New songs such as "Mitten Weather" and "Sprinkle, Sprinkle Little Snow" will be enjoyed along with a gross motor song called "The Snowy Pokey".

We will enjoy some sensory fun and fill up our snowman cups. A silly melted snowman craft will be enjoyed as our little toddlers practice squeezing glue bottles to build fine motor skills. An iceberg hop and friendly snowball fight is sure to bring laughter into our classroom.

**We look forward to lots of fun
and laughter in 2025!**
