

Preschool Press

Jan 2-10 Week 21&22 Theme: Winter

What's New

Younger Preschool:

Letters: Mm & Nn

Expressive Vocabulary:

Magnify- to make something look bigger

Negotiate- to talk over; to come to a mutual agreement

Older Preschool:

Letters: Ss & Tt

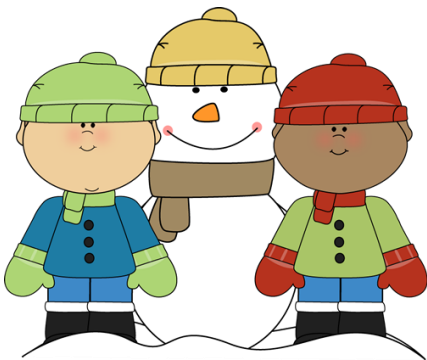

Numbers: 17 & 18

Expressive Vocabulary:

Similar- related in appearance or nature, alike but not exactly the same

Tedious- tiresome because of slowness, dullness or length; boring

Proverb #3: Practice Makes Perfect

Welcome back Ms. Sam to our Language Arts room and all our Preschool friends!

Craft and Writing

The children will enjoy doing many theme related papers. Printing papers will feature our new letters and numbers. Ms. Jen will assist our little artists with cutting practice this week. The children will also be busy making a cute winter craft to add to our bulletin board.

Motor

We will ring in the new year with a game of Bozo Buckets. A relay race of shoveling "snowballs" down a path will add to our winter themed fun.

Reminders: Please label all clothing and outerwear.

Please dress for the weather as we may head outside if the temperature is 20° F or above.

Language Arts

Many new Winter songs and fingerplays will be enjoyed this week. The children will echo the teacher during a new listening game about colors. We will also bring out the rhythm sticks for music time.

Concept

The class will be exploring the Winter theme with new Concept shelf jobs such as and snowman building to reinforce size seriation and snowflake matching. The older preschool students will be counting by 5's to 100. Hopefully we will be able to gather snow for some sensory play in our sand and water table.

HAPPY NEW YEAR
2025
