**Weeks 24 and 25: January 27- February 7, 2025**  
**Theme: Transportation**

## Language Arts:

We will enjoy several books, and learn about transportation through surprise picture cards and finger plays. Our finger plays will include: My Little Sailboat, I'm a Choo-Choo Train, and Traffic Lights. We will also look at the flannel board stories Five Little Dump Trucks and Little Red Train. In addition to learning various forms of transportation, we will learn various traffic signs, what the colors red, yellow, and green mean on a traffic signal.

## Concept:

We will continue doing our active review to help reinforce the letters, numbers, colors, and shapes previously introduced. We will also be sorting forms of transportation by where they travel: air, water, or land. Lastly, we'll enjoy the game Dump Truck Count, and explore the water table that will be filled with boats!

## Motor:

As the cold weather continues, the children will enjoy some of their favorites indoors: The Action Word Game, Block Bowling, Color Toss, and our riding toys!

**Craft and Writing:** The children will be practicing their cutting skills on fringe papers, color pattern papers, and create collages. Our fine motor skills will be developed through playdoh and shaving cream play. Look for papers and projects on transportation to be decorating our walls, and coming home!

**Students of the Weeks:**  
Nicholas and Emma

## Notes to Parents:
