THEME: Healthy Kids
January 20, 2025

Evaluating the children for the second time is well under way. Parent/Teacher conferences will be held in February. Watch for a note to be sent home with specific dates and times.

The letters Mm & Nn will be introduced and added to the rest of the alphabet, and we will continue discussing ways to keep our bodies healthy.

Mrs. Roxanne, Mrs. Catherine and Miss Taylor

Language Arts: We will play a Riddle Game to guess which healthy food is hiding in our surprise picture board. Proper hand washing and drying will also be discussed.

Concept: We will begin to explore ways to stay healthy! Our class will do a taste test this week tasting *sweet, sour, and bitter* tasting foods. Which is your favorite? The children will also learn the importance of hand washing and cleaning veggies and fruit. To strengthen fine motor skills, hole punching will be introduced.

Craft & Writing: To enhance our *Healthy Foods* theme we will create a placemat and cut out healthy food pictures to place on the food pyramid. We will also continue practicing printing our name.

Motor: Shooting baskets and bean bag toss will help get our gross motor skills developed, and we will have fun rocking in the row boat with a friend.
