Theme: Transportation

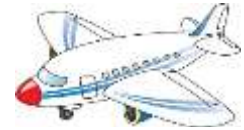

February 3, 2025

The excitement of planes, trains and automobiles will begin this week.

With Valentine's Day right around the corner, we will spread the love through poems, songs and stories

Mrs. Desi, Ms. Melissa, Mrs. Amy and Miss Elaina

Language Arts: We will look closely at pictures of cars, motorcycles, boats, airplanes and trains. We will explore the many modes of transportation we use through story books, finger plays, and music, and pretend to be a traffic light. .

Concept: During this week, we will be putting the right form of transportation with its property. An example of this is: *boat/water*. We will be matching cars to their right size garage. The water table will be opened at the end of the week.

Craft & Writing: Vroom, Vroom!! Our class will paint their favorite vehicles this week using their fingers! We will also have fun making traffic lights and learning what the colors mean. Buckle up parents!

Motor: We will be getting our exercise this week! Push-ups and toe-touching will be introduced. Our bean bags will be used to help differentiate color and size. The balance beam and stair step will be used as well.

Happy Birthday

Olivia Bonano 2/7

We are hosting an Open House for new families on Saturday, February 8. Don't forget to tell your friends!!

- **Registration for the 2025-26 school year** Registration will begin January 15. All current students need to re-register for the new school year. If you return your **fall registration** forms by February 14, you will receive 50% off your registration fee. Request your registration form today! Registration opens to the public on February 15.
- **Parent/Teacher Conferences** Our center will be closed to half day students on Monday and Tuesday, February 17 & 18, so that the teachers can conduct conferences. Conferences will be in person this year!
