Language Arts: This week, we will enjoy several finger plays, flannel board stories, and books that reinforce our theme of *Careers*. Our new listening activity will have us "stomping our feet." We will also sing songs about different careers.

Concept: This week we will match winter and career pictures, and review the concept of small, medium, and large. Our new colors pink and white will be added to our shelf jobs. As a group, we will have fun with the "tactile bag". The water will be open and we will have fun making bubbles!

Craft & Writing: This week, we will be creating a craft using our new colors. We will also be coloring and painting pictures that illustrate different types of careers and badges workers use.

Motor: An obstacle course will be set up to help us with our crawling skills. Ball playing and balancing on the balance beam will be a fun addition to our class this week.
