

Pre-K Press

January 13, 2025

Theme: **Healthy Kids/Winter**

We will continue working on evaluations with the children. New introductions include the letters Uu and Vv, and the word family "an".

Concept: The Golden Beads which teaches place value will be introduced this week, beginning with the "ones". New number based jobs will also help reinforce place value. January evaluations are also underway.

Motor: Winter is here! Inside activities will keep us moving. Fun exercises and walking on the balance beam will develop our lower body muscles.

Craft and Writing: The letters U and V are introduced and used throughout our papers. We will finish the week painting a picture of what germs look like and make a delicious fruit craft.

Language Arts: The introduction of rhyming words will help enhance our reading skills. Can you figure out this riddle? "I'm thinking of something on your face that is under your eyes". The Snowman song will help review color words; red, blue, green, yellow, orange, purple & black.

Happy Birthday
