Young Nursery News

Theme: Winter
Weeks of 1/6 & 1/13

Happy Birthday Claire Percic 1/1, Annie Petrie 1/5, Nadia Obaid 1/8 & Sandra Vasev 1/16!

Concept: We will discuss the change of season, month and year. We will also be playing a size seriation game using big, medium, and small body parts to make a snowman. We'll be looking into our science bin to see winter items.

Craft & Writing: In Art we'll be working on coloring and painting sleds, snowmen, and mittens.

Language Arts: The children will learn a finger play "Five Little Snowmen," and a flannel board story, "Mittens." We'll listen to two books about winter: *Snow Happy* and *You Make Me Smile*. We'll check out our picture file for things we can do during winter.

Motor: The children will continue learning our body parts and singing Head, Shoulder, Knees, & Toes. We'll bowl, kick a ball into a net and throw snowballs. It's so important to get moving when we can't get outside!
