

## Lockport Junior Newsletter

Weeks 26 & 27 February 3–14, 2025

### Transportation and Valentine's Day

**INTRODUCING:** *Come, come, go, Go, and  
Oo, Pp*

**STAR STUDENT:** Dominik

#### **LANGUAGE:**

Throughout the next 2 weeks, the children will discover and learn about the many, many forms of transportation. We have books about trains, planes, cars, trucks, boats, bicycles and school buses. We will sing some of our favorite transportation songs and look at many teaching pictures. We will also be discussing Valentine's Day. Love is sure to be in the air! The letters Oo and Pp along with their sounds will be introduced.

#### **CONCEPT:**

Our class will enjoy playing a fun estimation game called Kookaburra. We will try to estimate how many pieces Kookaburra took. Using transportation material, the children will work on positional words. They will get to drive their match box cars over, under, around, up and down! Lastly, we will sort forms of transportation between land, water and sky. The letters Oo and Pp will be added to the shelf jobs.

#### **CRAFT AND WRITING:**

We have been busy working on tracing our names. Some of the children are even printing their names. We will incorporate transportation into our projects and papers. We may even paint with tires! Get ready to put creative skills to the test as we create transportation art!

We have started some Valentine's Day projects that are hanging in the room. We will create more as the holiday approaches.

#### **PARENT NOTES:**

We will have a Super Bowl party on Friday, 2/7. Please dress your child in sports attire.

Our Valentine's Day party is on Friday, 2/14. A letter regarding the party is on the website and has been sent home.

Happy birthday to Charlotte!!

There are still some families that have not registered for the fall and summer. Do so now before we open registration to the public.
