Week 25 & 26 January 27–February 7, 2025

### Transportation

INTRODUCING:  
Action words: come and go

#### LANGUAGE AND READING:

Let's float like a boat, zoom like an airplane, rumble like a truck and chug like a train as we learn and explore many forms of transportation. For the next two weeks our class will discover all things that go. There are many songs and flannel boards regarding this topic. Some of our featured songs are, "I'm a Choo Choo Train", "Five Flying Airplanes" and "The Wheels on the Bus". Get ready to blast into 2 weeks of excitement!

#### CONCEPT:

During the next 2 weeks the children will enjoy discovering different forms of transportation around town and on the water. In science, we will pull out the water table and see which forms of transportation sink and which ones float. We will also do a one to one correspondence activity with trucks, airplanes, cars and boats. We will have fun playing a transportation matching game and a dump truck counting game.

#### CRAFT AND WRITING:

All aboard the creative train of art and craft! Our little artists will be creating colorful and interactive crafts as well as exploring other mediums of art.

During free time, the children will be allowed to explore the art shelf and play with play doh.
